Identifying Cann Hall's Issues

DOWN YOUR STREET

Lib Dem Councillor **Liz Phillips** recently carried out a ward walk with council officers and local police to identify issues that need dealing with. In fact they found 55! Outlined below is a sample of these issues:

- **Cobden Road/High Road alleyway** – lack of lighting
- **Alleyway alongside 70-84 Cobden Road** – possible gating to avoid anti-social behaviour
- **Beachcroft, Ramsay, Thorpe, Woodhouse Roads and Harrow Green** – replacement road nameplates needed
- **Cann Hall Park** – teenagers were found smoking drugs
- **Junction of Cobden/Lancaster Roads** – ‘no through’ sign needs replacing
- **Sansom Road Estate** – more recycling facilities now provided across the estate
- **Jubilee Gardens** – street drinkers moved on and cans removed from the bushes
- **Junction of Cann Hall/Selby Roads** – drain and gully needs clearing to alleviate flooding
- **Cann Hall Road** – badly done tree base works creates a safety hazard. Tree supports are to be removed
- Various issues of noise nuisance and anti-social behaviour were noted in a variety of locations.

All these problems were taken on board by council officers and police for action. **Focus** will keep you in touch with any developments.

A Million Jobs for a Stronger Economy

Focus Team member **Rupert Alexander** helped out at a Lib Dem campaigning ‘Action Day’ in September. A stall was set up locally to highlight the Lib Dem success in helping to create more than a million private sector jobs since 2010, and our determination to help create a million more. The Lib Dem ambition is to double the number of companies offering apprenticeships from 100,000 to 200,000. In Waltham Forest 4,120 apprentice placements have been created. **Rupert says:** “*Young people are our future; apprenticeships enable young people to gain skills for a career - and to be paid for it.*”

Fred Wigg and John Walsh Towers

Good news for the residents of these two tower blocks. In the next three years they are going to be refurbished at a cost of £15m.

Residents will have the opportunity to influence the changes in their blocks by working with the architects.

Acacia Park

Acacia Park is having a ‘face lift’. Work will start in early November. ‘Eibe’ is the company that has been chosen to do the work.

Cllr Liz Phillips says, “*Acacia Park is very popular with local children and new equipment will be very welcoming.*”

Trumpington Road - traffic problems

The petition about the potential dangers caused by drivers not obeying the road signs in Trumpington Road has been presented to the Council by

Lib Dem Cllr Liz Phillips.

She has since been in discussions about possible measures that may be introduced.

Focus Team member Adrian Trett will continue to keep you in touch with any developments.

Europe: In or Out?

Liberal Democrats support staying in the European Union. The reasons for this are:

1. 50% of British Exports go to the E.U. creating three million British jobs. 'Out of Europe, out of work'.
2. British business receives billions of pounds from the E.U. in investments that help grow our economy, again creating more jobs.
3. Our membership of the E.U. allows us to negotiate trade deals with the biggest economies in the world like the U.S. and China.
4. Being part of the E.U. gives us greater security.

Can we afford to give this up?
