Labour Parachutes Candidates in from Walthamstow!

Labour has selected people from Walthamstow to stand as candidates here in Cann Hall. What do they know of the people of our area and the issues that affect their lives?

Do you really want to be represented by people from Walthamstow?

Being in the south of the borough, Cann Hall is regularly regarded as 'the forgotten part of the borough'. It needs a clear voice on the council, standing up for the people of the area, by councillors who know the area well — councillors who live here.

All three **Liberal Democrat Focus Team** candidates, **Rupert Alexander**, **Liz Phillips** and **Adrian Trett** have lived in Cann Hall for many years. They know the people well and know the problems. Through the regular **Focus newsletter** they keep you informed and take up issues that are important to you — dumped rubbish, blocked gullies, dog mess, potholes, faulty street lights etc. etc.

On Thursday, 22 May you go to the polls to elect three councillors to represent you on Waltham Forest Council for the next four years.

Vote for your local team – **the Liberal Democrat Focus Team**.

Remember you have three votes:

1

Rupert ALEXANDER

Liberal Democrat Focus Team

2

Liz PHILLIPS

Liberal Democrat Focus Team

11

Adrian TRETT

Change of Polling Station

Those of you that usually vote at **Buxton Primary School** (formerly Cann Hall Primary School) please note that on 22 May, your new polling station will be further along Cann Hall Road in the **Methodist Church** near to the railway bridge.

Everyone is saying it

"I am voting Lib Dem because the FOCUS team makes a difference, locally, in Cann Hall Ward. Rupert, Liz and Adrian are always out and about working on behalf of local residents. The FOCUS newsletter is a good read."

"We are voting Liberal Democrat because Rupert, Liz and Adrian LIVE in our community – and work hard – in our community."

"The Liberal Democrats work hard for the residents in Cann Hall, thank you".

"I always vote for the Lib Dems because when I ask for their help I always get it"

I have lived here 34 years and the Lib Dems have always tried to resolve my problems. Liberal Democrats are the best.

"In Europe" to protect our climate and environment

Climate change and protecting the environment can only be achieved at a European level which is why **Lib Dems** believe in being "in Europe".

4,000 Londoners die prematurely every year because of dirty air, **Lib Dem MEP Sarah Ludford** says *"Action undertaken by Lib Dems like banning the deadliest old vehicles and promoting electric powered buses, taxis and vans all goes towards protecting the environment."*

Cobden Road Cul-de-sac.

Cllr **Liz Phillips** received complaints about how the area had been neglected by Ascham homes, from residents living in the cul-de-sac in **Cobden Road** fences had fallen down, fly-tipping, bollards knocked over on the pavement edge at the entrance to the cul-de-sac. Liz contacted Ascham Homes and they have renewed the fencing, replaced the broken concrete bollards, collected the rubbish and completed a general tidy up of the area. **Another example of the Liberal Democrats working for you in the community.**

Street Name Plates

Focus Team member **Rupert Alexander** continues to alert council officers to missing and defaced street name plates he finds on his regular ward walks.

The council has agreed that the sign at **Harrow Green** needs to be replaced. A new one has been ordered.

Rupert says, "Local people prefer a clean environment. If you see something that needs attention, let the Focus Team know, thank you."

The **Focus Team** supports residents by reporting potholes to the council. The safety of residents and visitors are of paramount importance when we use the highways.

Focus Team member **Rupert Alexander** is aware of a website potholes.co.uk - pothole stories and pothole photos can be posted as well as researching how to claim for pothole damage.
